Send a QR code

Here's your very own QR code to help your supporters find your page more easily. Just open up the camera on your smart phone and point it at this screen and it'll take you directly to the page. You can either save, screenshot, print posters, and send your QR code with family and friends on WhatsApp, text or email. It couldn't be easier.

Closer to Home's vision is a future where every child is thriving within supportive family and community relationships. This is the focus of everything we do.

Whether helping parents and caregivers build personal capacity, supporting families in coming back together after they've had to be apart, or working with young people to build the skills needed to create a positive future, we help families feel safe and supported.
